Community Support Network of Nevada County

Developmental Asset #8 – Youth as Resources

June 4, 2014

Youth are given useful and meaningful roles at home and in the community.

- Are youth included in all decisions that affect them?
- When we seek youth volunteers for an event, do we consider roles other than helping to set up or pick up trash?
- Do we consider youth as volunteers for anything other than events?
- Have youth been invited to participate on agency boards and committees?
