

Welcome to Nevada City A Town of Beauty, Health and Peace

Keeping Nevada City an enjoyable place to live and visit is everyone's responsibility. Respect for community values is essential so that a safe and pleasant experience can be had by all. Kindly be mindful of your and others' responsibility to this community as you visit.

☞ Kindly refrain from smoking in the Historical District. The city has a No-Smoking ordinance that is enforced. Smoking is permitted just outside the Historical District.

☞ Please help keep the public restrooms neat and clean for everyone's use. The restrooms are cleaned once a day, so your cooperation is needed. Public restrooms are available in the Commercial Street Parking area and in Robinson's Plaza. Restrooms are generally open between 8 AM and 8 PM every day.

☞ Help keep public spaces safe, clean and useable for the entire community. This includes sidewalks, streets, and doorways. Personal items should not block others' use of these areas. Pets need to be licensed, vaccinated, and under immediate control on a leash no longer than six feet.

☞ Be considerate of others when using any of the numerous benches and seating areas located on Commercial Street, Broad Street, Calanan Park and Robinson Plaza. Limiting your time will allow others to enjoy the location as well.

☞ Respecting the environment is important to residents and visitors. Camping is not permitted anywhere within the City limits and is seriously discouraged near open waterways. Permissible camping areas can be found just outside the city limits on BLM land or in the National Forest. Low cost lodging is available.

☞ Responsible and legal conduct is a community value. Public intoxication, illegal drug sales/use, aggressive panhandling and harassment are not in keeping with the community expectations or good neighbor conduct.
