Tip of the month from 40 Assets

Tip – Asset #24– Child bonding to school

When children have a sense of belonging at school, they are happier to be there and are more eager to learn. Attend PTC meetings, volunteer at school events, make goodies for bake sales with your children's help. If your budget allows, buy pencils or other items with school logos. Make school special and something you and your children enjoy together.

To learn more about the 40 developmental assets (Got 40?), call 271-5617 or e-mail
