**40 Assets—Intentional Words and Actions**  
 “Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.” (Leo Buscaglia).  
 Give your children hugs for no other reason than you're glad they are yours. Put love notes in their lunch buckets, or an IOU for an hour of your time. Do one of their chores for them. Opportunities abound when you take the time to look for them, so be deliberate in showing your appreciation for your children.
