Preventive Health & Safety

Learn how to operate a safe and healthy
childcare business

Sat., Nov. 4, 2017

8:00am-5:00pm

Presented by:
**Rescue Training
Institute**

Open to all childcare staff:

- If you are new to child care, this course meets requirements for licensing
- If you have been in child care for years, take this course to update your knowledge
- Get all of your program staff trained

You will learn about:

- The spread of infectious disease
- How to reduce the spread of disease and respiratory illness
- Emergency illness procedures
- Prevention of childhood injuries
- How to keep health records
- Health History and Immunization Policy for children and providers
- Child abuse identification & prevention
- Childhood nutrition
- Forms, records and resources

Receive a complimentary carbon monoxide detector, smoke detector or other giveaway!

**This workshop is FREE
for 25 participants!**

**SNCS is covering the cost*
