Dear Habitat supporters, vendors, friends and community members,

After 10 gratifying years as the Executive Director of Nevada County Habitat for Humanity, I have decided that it is time for me to seek a new challenge and hand over the reins to a new leader. The board, committees, staff and I have already been preparing for this transition with the goal of the next Executive Director being in place by April 2018.

It has been a tremendous honor to lead this organization and achieve our mission together. Serving as the Executive Director for Habitat has been the most rewarding professional role of my life. This was my dream opportunity and it proved to be even more fulfilling, than I'd imagined.

I've been privileged to work with the most amazing group of extraordinary and selfless volunteers, talented and dedicated staff and brilliant and passionate board members. Our Habitat family has many achievements to be proud and much opportunity ahead.

I believe it is the ideal time to transition to a future leader because our organization is thriving and we have exciting opportunities on the horizon. We have an exceptional board, professional, motivated and knowledgeable staff and a strong, experienced and loyal team of volunteers. Our organization is financially healthy, recognized as an asset in the community and we are the only affordable home provider in Nevada County.

I am 100% confident that Nevada County Habitat for Humanity will continue and increase our capacity to serve our community. The Board of Directors is beginning the selection process for the next Executive Director this month.

As for me, my focus remains on Habitat until April 15, 2018, and then I plan to take a mini sabbatical to explore the next chapter. My husband Stephen and I plan to do some traveling, but we are not moving, so this is not goodbye.

If you have any questions, please feel free to give me a call.

Thank you for your support and your personal and professional commitments to helping Habitat for Humanity make an important difference in our community.

Sincerely yours,
Debbie Arakel Sheppard

Debbie Arakel Sheppard
Executive Director
