40 Assets Tip— Asset #18 & 20 – Young person spends time in organized activities & little time hanging out with friends "with nothing special to do". Now is a great time to start seeking and planning for summer, fun family times and to encourage your child to find organized, healthy, constructive activities: sports, camps, clubs, scouts, 4H, GREAT, staged plays, musicals other arts, volunteering at animal shelter or elsewhere, organizing a family picnic, planting flower or vegetable garden, painting a room, deck, flower pots. Support your child's passion or help he/she develop one. To learn more about the 40 Development Assets call 271-5617 or email info@Got40.org.
