### 40 Assets Tip – Asset # 3&4 – Support for youth from adults other than parents & Caring neighborhood.

Often those non-family supportive adults are neighbors and are part of the caring neighborhood. You can help with both Assets by making opportunities for your children to meet and connect with neighbors. Consider, with your children, organizing street or block pot-lucks, yard sales, or clean-ups. Offer good deeds for those who live nearby who may need some assistance, or just to be "neighborly". Learn more about the 40 Development Assets call 271-5617 or email [info@Got40.org](mailto:info@Got40.org).
