Mix guar gum with dish
soap, then stir in water,
sprinkle in baking powder
and stir.

Dawn Platinum Power

40 Assets Tip – Asset # 38

Self-Esteem Young person likes and is proud to be the person he or she is.

Tell your children often that you will always love them, what you find special about them, that you are proud of them, and compliment them on at least one thing every day. Watch & listen carefully for any signs of not liking themselves, and other children bullying, mocking, or denigrating. The best way to encourage children to talk about their feelings is for parents, guardians, and other trusted adults to share their own feelings, especially about a time that was difficult.
