### Implementing New Strategies for Housing the Homeless

Join your League of Women Voters for our Second Saturday Program, **Implementing New Strategies for Housing the Homeless**, on January 12, 2019. Our guest presenters are Nancy Baglietto, Director of Hospitality House, and Mike Dent, Nevada County Director of Housing. Mike and Nancy will explain the new sources of state funding directed at alleviating chronic homelessness in Nevada County. They will also educate us on current plans in securing property and beginning to build supportive housing units and the long awaited Navigation Center. Nancy and Mike will be prepared to answer the many questions the public has in how supportive housing will work with the goal of moving some of the most difficult cases of our chronically homeless into housing.

Please join us on January 12, 2019 at Peace Lutheran Church, 838 W Main St Grass Valley,  
for this timely program. Refreshments at 9:30 AM, program from 10 to noon.
