

COMMUNITY SUPPORT NETWORK PARTNER MEETING

BE THE ONE CAMPAIGN

The purpose of the Be the One campaign is to invite the community into dialogue about the impact of Adverse Childhood (and Community) Experiences (ACEs) and the science of resilience and to encourage all of us to create more caring connections. Being the One for others is a simple way to put trauma/healing informed practices into action and transform our own lives, our families, and our communities. Individuals, schools, parents, and organizations are welcome!
