Location:	Granite Wellness Centers 180 Sierra College Drive Grass Valley, CA 95945 *Free Parking will be available.
Speaker:	James Peck, PsyD, UCLA Integrated Substance Abuse Programs
Who Should Attend:	This 4-hour training is open to providers who are interested in learning more about SBIRT, including: <ul style="list-style-type: none">• Psychologists• LMFTs and LCSWs• Registered Nurses• Certified Substance Use Disorder Treatment Counselors• Other Behavioral Health Specialists/Clinicians
Training Description:	Screening, brief intervention, and referral to treatment are effective in a variety of settings. Its effectiveness has been proven particularly effective in hospital emergency departments and trauma centers with individuals with alcohol-related injuries. SBIRT has also been shown to be effective in primary care settings, where it is incorporated into other routine medical assessments such as measuring blood pressure. This training focuses on screening procedures to identify risk; key motivational interviewing concepts and principles that are tied to effective use of the FLO (Feedback; Listen and Understand; Options Explored) brief intervention; and referral to treatment for patients with more serious substance use-related problems <i>This training was approved by the California Department of Health Care Services, and fulfills the 4-hour SBIRT training requirement noted in the All Plan Letter dated February 10, 2014 (APL 14-004).</i>
Educational Objectives:	At the conclusion of this activity, participants should be able to: <ol style="list-style-type: none">1. Describe the background and rationale for conducting SBIRT in a variety of health settings2. Explain how to utilize screening procedures to identify patients engaged in at-risk substance use behaviors;3. Demonstrate a three-step motivational interviewing-based brief intervention strategy to motivate patients to change their at-risk behavior and/or seek treatment.

The training course meets the qualifications for the provision of four (4) continuing education credits/contact hours (CEs/CEHs). UCLA Integrated Substance Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists.
