SIERRA COLLEGE AT A GLANCE

Sierra College is an award-winning community college located near Sacramento, California where a heavy emphasis is placed on academic excellence, equity-mindedness and student success.

Since its founding in 1936, Sierra College has focused on quality instruction and meeting the evolving needs of the students and communities it serves.

The Sierra Community College District serves over 18,000 students at our main Rocklin campus, as well as our three centers located in Grass Valley, Tahoe-Truckee, and Roseville. **This position will primarily serve the Nevada County Campus.**

The Nevada County Campus located in Grass Valley, CA primarily supports students who reside in the western Nevada County areas of Grass Valley, Nevada City, Penn Valley, and its nearby rural communities.

MINIMUM QUALIFICATIONS

Master's in library science, library and information science

OR [the equivalent](#).

WHY SIERRA?

- 2019 Wonderful Workplace award at the annual Rocklin Chamber Business Excellence Awards
- One of Aspen Institute's Top 150 Community Colleges in the nation
- The Accrediting Commission recognized Sierra "for its exemplary practice of providing personnel with opportunities for continued professional development in order to meet its mission." This includes providing students and employees with a robust set of programs, events, and conferences related to equity-mindedness and supporting the success of our students, etc.
- Sierra has a commitment to culturally-responsive strategies and methods, and therefore all newly hired faculty participate in a Faculty Equity and Inclusion Certificate program and New Faculty Academy.
- State Teachers Retirement System (STRS)
- Competitive benefits package
- 175 days per year contract
