Request for Proposals

2021 Funding Cycle of the Welz Family Children's Foundation

The Board of Directors of the Welz Family Children's Foundation would like to announce the availability of this year's initial grant. The theme for this year is "Working Back to New Normal". The foundation, interested in enhancing the health, education and welfare of children of Nevada County, offers this general scope grant of \$20,000 to non-profit organizations with existing programs for children in Nevada County (501(C)(3) or similar agencies). This year the foundation is entertaining capital and/or operational grants of up to \$5000 for each direct service program.

One application per program is suggested, however agencies with multiple qualifying programs may submit applications for each separate program. In a collaboration, each agency will need to file separately.

If you wish to apply for a grant, we require the following information:

- (1) A letter of request of no more than two pages which must:
  - Provide contact information, including the name of the contact person, phones and the physical address and email addresses.
  - Both the agency's Mission and Vision Statements;
  - Address the community need for the program requesting funds;
  - Address operational need, or other need for capital;
  - Documentation quantifying your program's success to date;
  - Describe the proposed use of the requested funds (specific service being offered for the benefit of children);
  - If in a collaboration, provide a brief description of each partner's participation;
- (2) Additional attached information will need to include:
  - Verification of 501(C)(3) status;
  - A copy of the program's basic budget (Agencies with multiple programs requesting funds may be asked to send a basic agency budget as well);
  - Proposals requesting capital grants will need to include third party estimate(s) for the proposed acquisition.
  - Programs in collaborations will need letters confirming existing collaborative status.

Questions may be addressed to Lenda Welz at the address or by e-mail below.

The proposals are due by June 10, 2021. Please submit your application by mail to:
