

SAFE BEGINNINGS

Training of Trainers

Safe Beginnings is a set of five (5) comprehensive toolkits focused on educating parents of children ages 0-5 to reduce unintentional childhood injuries. The Safe Beginnings Toolkits were developed collaboratively by the Child Abuse Prevention Council of Sacramento and the Sierra-Sacramento Innovative Partnership funded, in part, by California Department of Public Health Kid's Plates Program.

Please join us for one or more of the Train the Trainer opportunities, which will provide guidance on how to use the Safe Beginnings Toolkits to help educate parents, families, and caretakers in your county.

Each Training of Trainers event will be scheduled for 60 minutes: 30-45 minutes of instruction and 15-30 minutes for question and answer.

All Training of Trainers events will be recorded, and the recordings will be posted with the Safe Beginnings Materials on the webpage [HERE](#).

All Training of Trainer events will be held in English only.

All Safe Beginnings Materials are currently available in English only.

All events will be held virtually using the "Zoom" platform.

Training of Trainers attendance/viewing is recommended but not required to use the Safe Beginnings Materials.

Please scan the QR code or click the link for the training you wish to attend, listed on the next page.
