Welcome

Introductions Ice breaker - What is your favorite Fall tradition/activity?

Agenda item:	Special or Complex Needs of Families in Nevada County Presentations	Presenter:	Daniel Planter Eli Gallup Amea Medeiros Michael Lyman
---------------------	--	-------------------	--

Discussion:

Daniel Planter - Engaged Services (Overview of services)

- Speaking on programs not meeting everyone's needs
- In home settings are not available
- Regional Center Client and to see if they are a good fit for the program
 - Self-determination (one large distribution of how funds will be spent based off team regional sensor client's needs)
 - Person centered planning
 - What are the goals
 - What supports do I need to have
 -

Eli – SELPA

- Provides a service beyond school districts and IEP
- Works with families and school districts to see that students needs are met

Amea Medeiros, ED - Neighborhood Center for the Arts

- Case management/ Outreach and enhanced referrals
- Need to be in the regional center to offer services 22 and older
- Offer services for artists who are "disabled" prefer the term able Artists as that's how community views these talented artists
 - Allows artist to have a separate income
- Had issues with funding and limited care that they can provide at this point

- A day programs hurting for funding and not being able to supply previously provided services
 - Needs legislative advocacy

Michael Lyman, President/CEO - Ridgeline Pediatric Day Health & Respite Services

- Overnight Nursing staff and care for clients
- Provide care for all ages with specialized medical needs and providing skilled nursing need
 - Issues
 - Not able to get to programs in time age out at 22 ages but available to stay is established before 22 yrs. of age
 - Specialized healthcare needs
 - Specialized behavior and specialized healthcare needs
 - Handful of people not being helped because they have age out “adult day health center” like ridgeline pediatrics but for adults
 - Issues with transportation with disability needs

Action items	Person responsible	Deadline
✓ Possible assistance with some advocacy for Day time Programs	NA	Ongoing

Conclusions:

Open discussion with meeting participants regarding services

- What services can we help provide?
 - Being handicap accessible and who to contact?

What upcoming events or successes or tools are being used?

- Using tools to enhance capacity and communication (Ctec institute)
- CA Department of rehabilitation is doing one on one coaching and resume and job coaching
- Connecting point has employment services and public health home visiting programs
